

Ambassadors

be one of them...

Be a World Changer!

Jesus chose 12 of them! Ordinary people.

When Jesus was with them, they were his disciples. Shortly after the resurrection, they became his apostles on mission. What mission? That of proclaiming everywhere:

Christ is risen! He is risen indeed!

The bible is full of stories of ordinary people who become history makers. Their acts of love and obedience turned into powerful movements, impacting the world.

In every generation God raises people to be his voice and to reveal himself through them to deliver his people. You were born for such a time as this - Esther 4:14

Men and women from all corners of the World are marching together, they carry this JC2033 Global initiative and gather around Jesus.

We pray that by Easter 2033 we will have 144 trained, motivated and active Ambassadors by the launch of the «Decade of the Resurrection». From then on doubling each year!

Would you like to be a World Changer and to be part of this global movement so that the World will know that Jesus is Risen? Respond to the call and make a difference in your areas of influence and the nations and people God is calling you to.

Wishing to humbly walk with you on this path towards 2033,

Description of an Ambassador

Ambassadors are men and women who have understood the JC2033 vision, make it known through their networks and make it happen in their country or region.

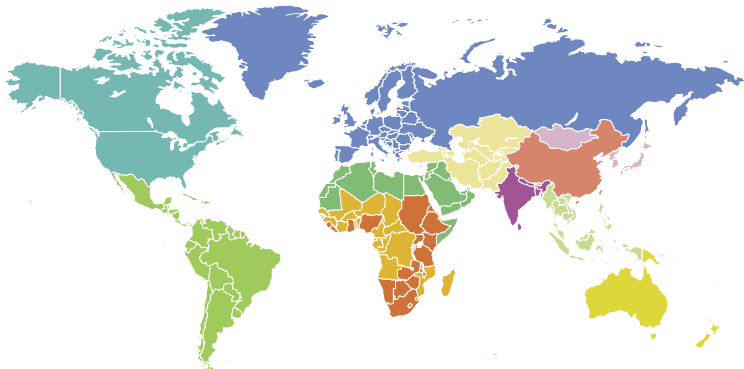

Our Ambassadors use their skills, competencies and connections with Christian leaders and churches in their region or within their sphere of influence to spread the vision and to develop different unity projects to celebrate the Risen One.

Ambassadors are peacemakers, they have hearts beating for unity in Christ, they desire to witness to the whole world that Jesus Christ is Risen and love to celebrate the Risen One with all the Christians.

Our goals

- One** ambassador in each country
- One** ambassador per million inhabitants by the year 2030

The Ambassador Program

The JC2033 Ambassadors Program is focused on 4 main goals:

- Connection
- Training
- Sending
- Multiplication

Get Connected with other Ambassadors around the world through a WhatsApp group and through the monthly global prayer times.

Get Trained and Equipped to share the vision and to start some projects of unity and celebration in your area through the yearly Ambassadors days and the regular Zoom meetings. Learn more about the 3 DNA's of JC2033 through exclusive videos, articles, find training modules and resources on our website.

Get Commissioned and Sent during our Yearly Global Gathering where we work together on a strategy of multiplication of Ambassadors all over the world so as to spread the vision.

Go and Multiply by finding and mentoring one new Ambassador per year, we will reach the goal of one Ambassador per million population by the year 2030.

Would you be interested in joining the Ambassadors Program and starting your own projects of unity, witness and celebration in your area or country?

This is a great opportunity to be connected with people from all over the world, to make the Risen One known to all.
